Representative Tom Brinkman, Chairman
Commerce and Labor Committee
Ohio House of Representatives
3215 Hardisty Avenue
Cincinnati, OH 45208

Dear Chairman Brinkman and Members of the Commerce and Labor Committee:

House Bill 230 would greatly promote children's health and safety and reduce their future health care costs by reducing their exposure to hazardous carcinogenic ultraviolet radiation at the most vulnerable time of their lives.

Please support House Bill 230 and help protect Ohio's great asset, its children.

Thank you.

Sincerely,

A handwritten signature in black ink that reads "Marion Parish". The signature is written in a cursive style with a large, looped initial "M".
